

12% of paediatric trainees in our trust participate in a journal club
34% of these paediatric trainees are confident in critical appraisal

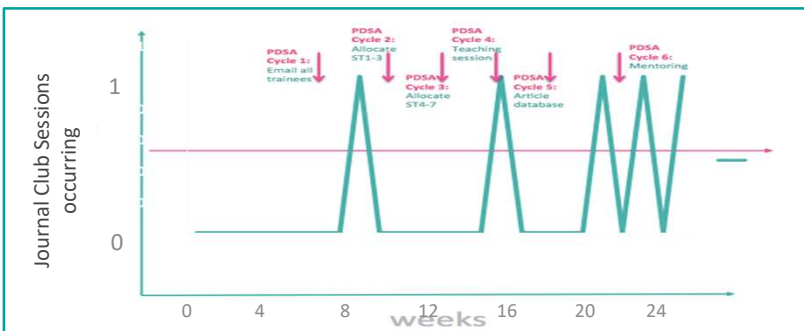

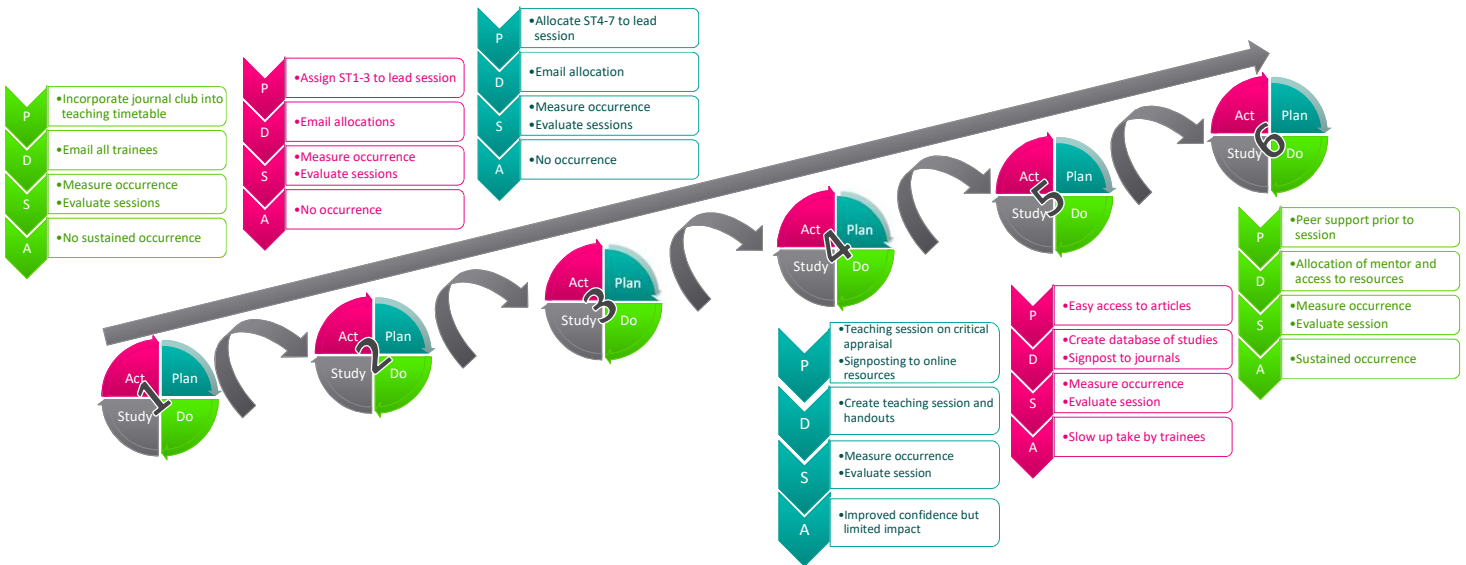

100% of paediatric trainees must be able to critically appraise a study to complete paediatric training¹

AIM

Journal club will occur every 2 weeks; teaching trainees critical appraisal and improving evidence based medicine knowledge

- ### CHANGE IDEAS
1. Timetable sessions
 2. Include all level of trainees
 3. Teaching session on critical appraisal
 4. Study database
 5. Peer mentoring

Since 22nd July 2018 we have achieved 100% occurrence of journal club. Teaching, mentoring and entire team engagement ensured success.
